

PTO DECEMBER MEETING

AGENDA

DATE: Wednesday, December 18

TIME: 12:30 A.M.

LOCATION: Green House room 770

Attendees: Ozzy Trevino, Jamie Fettig, Carrie Miller, Kristen Diaz, Sarah Van Landingham, Kelly Crouse, Crissy Tarpey, Lynne Kruse

Agenda Items:

Holiday Shop - Carrie – Holiday Shop was very successful and had a great turn out of kids. Needed more volunteers. This year we were able to use a room in the green house which made set up and breakdown much easier than in past. The kids liked having it inside compared to it being outside last year. Next year we need more merchandise. Being inside made it where we had more children coming to shop so the merchandise went faster than in years past. The total spent on items was \$3,800 and it earned \$9,800. Holiday shop is set up as a service for our students to be able to purchase items for Christmas to gift to their loved ones. The profit made is added to the money we are able to use for teacher grants.

Newsletter - Ozzy - a newsletter will be going out updating parents on events from the first half of the year, including information on FunRun, total earned and top classes.

Cookies and canvases - (this will replace Chili Cook off, which was a unanimous vote at the November meeting that PTO not host this event this year.) Crissy will form a committee to host this event. 100 canvases were purchased at a discount of \$300. The canvases are 16X20. The event will be February 21. Our business partner, First Watch, may offer cookies and coffee for this event. Kelly will look into this. More details to come.

Business Partners - Kelly - First Watch and/or Tutoring Club has offered to host a breakfast for Teacher appreciation week. Icemen - There have been some discrepancies in the amount of money Icemen said they would donate for being a business partner and what they are actually donating. They promised \$1500 and have given \$250. Our business partner coordinator has been in contact with the marketing individual multiple times however is having a hard time because he is not communicating. The Icemen agreed to be a \$1500 sponsor but encouraged our school to take a field trip to their facility. Third grade took a Field trip to see the Icemen. Unfortunately the Icemen are not donating what they agreed to. Our business partner coordinator will continue reach out to Icemen in the hopes that they will stand behind what they promised.

Teacher Pie Day – We asked for 100 pies and received more. 100 is the right number of pies to ask for. We were able to also give pies to the bus drivers and the crossing guards.

FunRun – No update yet on numbers for FunRun. 100% of those present at the meeting voted and agreed to pre-register to use thegetmovincrew website again for 2020-21 fundraiser.

FunRun Reward Field Trip – Cecil Field was planned as the reward field trip for the top 25 earners of the FunRun. Originally there was no age limit for this reward, however the contact at Cecil recently let Ozzy know that children under 4th grade are not allowed to go on this field trip because the airstrip is an active airstrip and can be dangerous for younger children. Other options were suggested

PTO DECEMBER MEETING

AGENDA

to the contact, but he refused to allow any student under 4th grade to attend the field trip. Another reward trip is in the works – more info to come.

Grant Updates – Teachers have been submitting grants for items including Scholastic orders, StoryWorks, Lakeshore items and different sensory items for their classrooms. The cutoff for grant submission is May 1st. The money does not roll over to the next school year. Grants fulfilled as of November 22,

Kinder - \$2,813.06

First - \$1,486.75

Second - \$324.5

Third - \$0

Fourth - \$1,134.38

Fifth - \$2,457.06

BrainPop - was purchased by SAC. Possibly send a survey out to teachers to see which programs are used by the majority to see which programs PTO will purchase in the future – IXL, BranPop, RazKids, etc....

Upcoming Events – Cookies and Canvases – February 21

Grandparents Breakfast March 3rd and 10th

Family Field Day – Saturday, April 4th

Teacher Appreciation – Dates to be determined - optional dates, the weeks of April 20th, April 27th or May 4th

Meeting Adjourned at 1:25 pm
