Dear Business Owner,

The Hickory Creek Elementary Parent Teacher Organization (PTO) greatly appreciates the time you are taking to read this letter and to consider a Sponsorship. We use sponsorships to provide the children at HCE with technology, services, tools, and excitement for learning.

The Hickory Creek Elementary PTO Partners in Education program is designed to advertise your business while offering a fundraising opportunity for our school. In the spirit of community, we can support each other. As an established school in the St. Johns County School District, we offer you an amazing opportunity to reach about 750 students and their families.

The Hickory Creek Elementary PTO works closely with school staff to help determine where funds are needed. Goals range from computer equipment to yearly mini-grants available to all teachers for educational classroom needs. Whether it be a large, school-wide project or filling class-specific needs, 100% of the funds raised directly benefit the students of Hickory Creek Elementary.

Attached you will find our sponsorship levels, offering a variety of partnership opportunities to fit your business goals. Please complete the attached agreement indicating the level of support that you would like to dedicate to Hickory Creek Elementary for the 2022-2023 school year.

On behalf of the Hickory Creek Elementary PTO, our principal, Yvette Cubero-Gonzalez, the staff, and the students, we greatly appreciate your support and look forward to welcoming you as a Partner in Education.

Sincerely,

**Kristin Brewer**
